Teaching

• Provide academic leadership within the department, including at programme level and across your own specialist area.
• Develop and deliver highly effective learning and teaching (lectures, seminars, tutorials, assessments). Set exam papers/assignment questions and carry out marking duties.
• Deliver highly effective supervision and support to students e.g. for projects, dissertations etc.
• Cooperate with colleagues in the review and development of the curriculum, leadership of modules and, where required, design and launch of new degrees/awards.
• Contribute to the internationalisation of the curriculum, especially at module level.
Job Summary

- Engage in CPD to support innovation at module level in teaching delivery and/or assessment practice.
- Engage with scholarship and pedagogical research to underpin innovation at programme level in teaching delivery or assessment practice and to enhance student learning and experience.
- If not already obtained, seek external recognition of teaching excellence at a senior level (e.g. Senior Fellowship of the HEA).
- Contribute to quality assurance and enhancement at School or College level.
- Contribute to the development of colleagues, or of academic management systems.
- Provide pastoral care for students and carry out other related academic duties.
- Contribute to international enterprise initiatives.

Administration

- Undertake such specific School roles and management functions as may be reasonably required by the Dean of the School.
- Attend meetings and participate in other committees and working groups within the School, the College, and the University.
- Engage in continuing professional development.
- Contribute to student recruitment and retention activities in the School and College.
- Coaching and mentoring of more junior members of staff.

Internal and External Relationships

Research Colleagues: Discussion of research and related issues and support for research and development.

Colleagues: The provision of informal advice on issues relating to students and teaching.

Administration: Contribute to discussions on the development of administrative processes.

Dean and Head of Division: Discussions concerning integration, students and other administrative issues.

Committee Member: Discussions concerning the provision of the degree course, teaching practice or research techniques.

Planning and Organising

Shaping the strategic direction of own area of activity, leading the planning activity over many months or years.

Participation in the division’s or school’s operational planning process supporting the strategic direction of the Division and School.

Qualifications, Knowledge and Experience

Essential

- PhD or significant relevant experience in Finance*
- Significant experience in delivery of teaching finance to undergraduates and postgraduates*
Job Summary

- Experience of supervision at postgraduate level.
- Evidence of high quality research publications in line with the REF aspirations of the College. You would be expected to have published research in finance or economics journals which likely to be assessed as world leading and to have a significant number of publications that would be judged as internationally excellent*
- Contribution to design of modules, course and curriculums and experience of delivering innovative research informed teaching
- Academic Teaching Qualification as defined by HESA or commitment to gain the appropriate category of HEA Fellowship within a reasonable timeframe *

Desirable
- Experience in generating industry partnerships*

Skills, Abilities and Competencies

**Essential**
- Evidence of a pipeline of future high quality research.
- Evidence of grant capture or definitive plans for grant applications
- Evidence of significant impact and engagement beyond the academic community
- Ability to network and collaborate at an international level.
- Ability to review, evaluate and develop the key skills of students
- Ability to assist other teaching staff with examinations and the development of new methods of delivery
- Ability to develop resource materials to enhance teaching quality
- Ability to prioritize tasks within agreed work schedules
- Ability to teach classes using a comprehensive range of delivery methods including lectures, seminars, tutoring
- High level of proficiency in English, sufficient to undertake research, teaching and administrative activities utilising English Language materials and to communicate effectively with staff and students

**Desirable**
- Ability to teach classes using distance learning
- Ability to provide support to students via Blackboard
- The potential to produce research with impact on the wider society
- Ability to identify and secure placement or internship opportunities for students

*Criteria to be used in shortlisting candidates for interview*
## VITAL
